1. **Why travel?**
Think of reasons for and against travelling round the world.
"**YES! I would like to travel round the world because...**"

"**NO! I would not like to travel round the world because...**"

2. **Where do you want to go?**
There are many things to think about before taking a big journey.
The first decision is where do you want to go!
What countries and places would you like to visit? Why?

Draw onto the map the route you would like to take round the world.
Label the places you are particularly interested in and other important details.
Expedition Planning!

3. How would you like to travel (car, boat, plane, bicycle, camel, canoe...)? Why?

4. What equipment would you need to take?

5. What are some of the difficulties of travelling round the world?

6. What else would you need to organise, apart from the equipment?

7. What would you miss while you were away?

8. What would you eat?

9. Where would you sleep?

Extra Questions...
You might not know the answers, but try to guess anyway!
1. How many countries are there in the world?
2. How many continents are there?
3. How many miles is it round the equator?
4. What is the biggest country in the world?
5. What is the longest river in the world?
6. How high is the highest mountain in the world?
7. What is the biggest city in the world?
8. How many people live there?
9. What are the highest mountains on each continent?
10. Where is Timbuktu?
